Omega Man

This site is dedicated to the true authentic MAN. We are interested in ONE thing:

Your SUCCESS.

All men and women want to be Successful, however this means different things to different people and to the different sexes. Is it all about family, sex, women, relationships or having lots of money, a yacht, speed boats, big houses and fast cars?

Robin Booth

is a life and executive coach, a school principal, an international key note speaker, seminar leader and trainer as well as the SynEDgy Schooling Approach founding Principal.

He specialises in mentoring other coaches, teachers, teams, leaders and parents. Robin also writes monthly columns on "Life Learning" and these articles are well read in both local and national magazines. He does radio interviews on his workshops and was also recently on National Television talking about how to raise emotionally intelligent children.

"My passion is that you discover yourself to be a greater person by far than you have ever dreamed yourself to be." Website : www.robinbooth.co.za

Email : Opt4health@telkomsa.net Forest Edge

Check Ronel's site at www.forestedge.co.za. Some magical cottages right at the edge of the Knysna forest. Go in low/mid season and WB's get 5% off.

Image Age Photography

Monica has taken some stunning photographs of both Christopher and his family (some of them will be appearing on this site). She also specialises in commercial work, working out of her own studio. Give her a call on 082 771 6327 or mail her at monica@image.co.za.

Cape Town Shuttle Service

Give Chris a call on 0826552264.

We have found Chris to be both reliable and reasonable and a very pleasant fellow indeed.

The Oasis School of Human Relations

is one of the founding partner organisations of the Globally Responsible Leadership Initiative. We are committed to the development of the initiative both in the UK and internationally. We are currently involved in the development of a series of human inquiries into the meaning and practice of globally responsible leadership, as well as supporting organisations globally in other aspects of the practical steps and awareness-building
